

April 4, 2011

To Whom It May Concern:

Eric N. is my idea of a perfect tutor: serious about his profession, flexible in his approach, and possessed of a sense of humor.

It is a--in my opinion, well-priced--luxury to have his help with my French studies. I've made enormous progress towards fluency thanks to him, which has been personally satisfying and professionally valuable.

Sincerely,

Marcus Edward
Managing Director
